# Benefits of a Donor Advised Fund

## LOCAL EXPERTISE

We work with nonprofits throughout Arkansas every day and can provide valuable information to assist you in planning your philanthropy, including vetting of nonprofits.

## SIMPLIFIED RECORDKEEPING

We keep track of your donations, provide timely gift acknowledgements and use professional investment managers for assets. You can access your statement 24/7 via our secure website portal.

## TAX TIMING ADVANTAGES

Using a donor advised fund, you can make contributions in years when it's advantageous to do so, and make charitable distributions in subsequent years - without having to add to the fund each year. Each time a deposit is made into your DAF, you will receive a tax deduction according to IRS guidelines.

## FAST AND EASY SET-UP

With our simple agreement and an initial gift, a donor advised fund can be opened in as little as just one business day.

## STRATEGIC GIVING

We offer informational tools, such as [AspireArkansas.org](http://AspireArkansas.org), to provide data on community needs. Partner with us to distribute grants in areas that strengthen the community and beyond.

## PERSONALIZED SERVICE

Whether developing a personal giving plan, guiding your team towards a charitable giving strategy that aligns with your business goals, or engaging younger generations in learning about the importance of giving back – you can create positive change in your community and we can help!

## CREATE A LEGACY

You can name the next generation of advisors to a donor advised fund or endow the fund to continue making grants in perpetuity.

## MODEST FEE

A donor advised fund is less costly than a family or corporate foundation and the annual fee supports Arkansas too!

## ANONYMITY

Your charitable fund can be completely anonymous, or you can choose to determine anonymity on a grant-by-grant basis.

## NO CAPITAL GAINS TAXES ON APPRECIATED SECURITIES

If stocks or bonds you purchased more than a year ago are worth more now than when you bought them, you will not have to pay capital gains taxes on the earnings when used to create a fund at the Community Foundation.

## INCREASED GIVING CAPACITY

When you open a donor advised fund, your initial gift(s) can grow significantly over time. All growth in the fund is tax-free.

## COMPLEX GIFTS

Contact us if you have other assets such as stock, IRA assets, crops, timber, land, real estate, insurance, valuable collectives, or privately held shares you'd like to contribute.

## DAFs at a Glance
