

Based on Your Goals

Arkansas Community Foundation offers flexible fund types depending on the impact and involvement you want to have:

DONOR ADVISED

Direct grants to nonprofits of your choosing as you wish (or name other advisors to do so.) Ideal if you want a hands-on approach or wish to involve family in decision-making.

DESIGNATED

Specify particular charities to fund on an ongoing basis. Ideal if you want to continually support your favorite nonprofits.

SCHOLARSHIP

Support students seeking higher education. Ideal if you want to support individual students and allow the Community Foundation (or an educational institution) to select recipients based on your criteria.

FIELD OF INTEREST

Impact a variety of programs within a particular charitable field—education, animal welfare, hunger, etc.—while allowing the Community Foundation to direct grants within the parameters provided. Ideal if you want to make a deep impact in a specific area.

FOUNDATION-DIRECTED

Help meet the changing needs of a community while allowing the Community Foundation to direct grants to the most pressing needs. Ideal if you want to support the community at large.

ORGANIZATIONAL

Similar to a designated fund, an organizational fund/endowment supports a particular nonprofit organization. However, this type of fund is set up by the organization itself to benefit its own operations.

ARKANSAS community foundation

For 50 years, Arkansas Community Foundation has helped Arkansans turn local generosity into statewide impact. Since 1976 the Community Foundation has made more than \$600 million in grants to support Arkansas communities and manages more than \$1 billion in assets. As part of its 50th anniversary year, the Foundation is making transformational statewide grants and ushering in new leadership to guide its long-term vision for impact. Working through 29 local affiliates, the Foundation partners with donors, professional advisors, nonprofits and community leaders to engage people, connect resources and inspire solutions to build stronger Arkansas communities, forever.
